

"Love one another as I have loved you"

ST BERNARD'S HIGH SCHOOL

Information Pack

Deputy Headteacher

(Pastoral & Safeguarding)

SCHOOL MISSION STATEMENT

St Bernard's is a school community
that aims to live by Jesus' commandment,
“Love one another as I have loved you.”

“You must not only teach content, but the values and customs of life. There are three things that you must pass on. A computer can teach content, but to understand how to love, to understand values and customs which create harmony in society, it takes a good teacher.” Pope Francis, ADDRESS OF HIS HOLINESS POPE FRANCIS TO MEMBERS OF THE ITALIAN UNION OF CATHOLIC SCHOOL TEACHERS, MANAGERS, EDUCATORS AND TRAINERS, 2015

Ours is a community where we continually work towards living out our Mission Statement, “Love one another as I have loved you,” in our school and in the parish communities to which we belong. This aspiration is supported by our strong and effective pastoral system, underpinned by Gospel values, which provides a strong base for students' academic and personal development. We are fortunate to enjoy a close, positive relationship with our families who support us in achieving these aims. The result is a very special ethos, with a combination of faith, focus and fun, as staff and students share in learning at St Bernard's together.

We are ambitious for every young person who enters the doors of St Bernard's. We aim to continue to drive the school towards outstanding so that our students fondly remember the broad, balanced, experiential education they received which prepared them for the demands of the 21st century both professionally and spiritually. Our challenging and relevant curriculum aims to provide our students with skills and knowledge that will sustain them long after they have left St Bernard's. We believe that inspired by faith, a belief in the power of education and its ability to make a difference alongside a commitment to empowering our young people that our students will thrive!

Our strategic aims are laid out in our school development plan which is overseen by our Trustees (governing body) who are responsible for holding to account the headteacher and senior leaders to see this vision fulfilled.

St Bernard's enjoys a committed and talented staff who share in this vision and know how vital it is for us to know the capabilities of all children and how we can best support them to meet and excel against challenging targets. Every child counts.

DEPUTY HEADTEACHER (PASTORAL, SAFEGUARDING & ETHOS)
(Headteacher from 1 September 2025)

HEADTEACHER'S WELCOME

As the current Deputy Headteacher (Pastoral, Safeguarding & Ethos) and soon to be Headteacher of St. Bernard's High School from 1 September 2025, I am delighted to welcome you and thank you for showing interest in our school.

St Bernard's (as we often are known) has a wonderful history of providing an excellent Catholic education to young people in Southend and its surrounding areas. Whilst our school was founded by the Bernardine Sisters, there has been an educational provision on our site since 1875. In 1910, the sisters formally took over the site, the beginning of the school that we currently have today. We are a highly successful bilateral girls' school with a thriving mixed sixth form.

High expectations and educational standards alongside all-encompassing pastoral care make St Bernard's more than a school. We know our students and build connections with each and every one – we are a family! We recognise and seek to further develop, deepen and nurture the individual talents, abilities and possibilities of all the students that we serve. We prioritise getting to know our students' ambitions (and their families) as we understand our role in helping and guiding them towards their chosen paths enabling them to have fulfilling lives both professionally and personally.

Despite the pandemic and the challenges that we have all faced, we are proud of the achievements of our students and staff at both GCSE and A level. Whilst our performance measures at GCSE and A level would place us well above national averages and within the top 20% of schools in the country, we are never complacent and always want to push further forward.

St Bernard's is a very special place in which to learn and work. We fully understand the importance of providing our young people with a holistic Catholic education which cherishes the spiritual and supports the academic ability of all within our school community. We are committed to living our mission statement, "Love one another as I have loved you," as we enjoy and celebrate the strong relationships which have built and sustained our diverse community since we began.

I hope that you find the information that you need in this pack and consider making an application to be Headteacher of this great school. I recommend it to you unreservedly!

Warm regards

MRS H BARNES
DEPUTY HEADTEACHER (PASTORAL, SAFEGUARDING & ETHOS)
(Headteacher from 1 September 2025)

BACKGROUND INFORMATION

St Bernard's High School is an 11-18 comprehensive school with a 155 place Sixth Form. The school has an excellent reputation and recruits students from Essex, Outer London and London, as well as the local Southend community. The total number on roll in November 2024 was 1,022.

The school celebrated its centenary in 2010. In 2011 St Bernard's became an Academy and retained its specialisms in Arts and Science. In 2023 the school was judged by Ofsted to be 'good'. In its Catholic School Inspection, the school was judged to be 'outstanding' (May 2024).

The school has worked tirelessly to further raise the achievement of its students. In 2023, Year 11 students at St Bernard's achieved a Progress 8 figure of 0.8, this score placed St Bernard's in the top 20% of schools in the country.

Students' spiritual, moral, social and cultural education underpins all aspects of school life, is a notable strength of the school and results in high levels of cooperation between all members of the school community. In 2024 the school received an 'outstanding' judgment at the CSI Inspection.

Students enjoy a rich and varied academic curriculum, both inside and outside the classroom, with all departments organising educational visits to enhance learning experiences and raise aspiration. The curriculum is lively and relevant. It is enriched by cross curricular opportunities within the Arts and STEM.

Teaching and learning is characterised by: innovation, full inclusion, challenge, collaboration and high quality feedback. We judge that teaching is a strength of the school, as is the sharing of good practice both within and between departments to continue to develop expertise and raise standards. Staff work hard to make sure all groups of students achieve their full potential.

In order that students are able to access the curriculum, and are ready to learn, pastoral care and the provision of additional support for students are priorities and greatly enhance our provision.

Leaders at all levels are highly ambitious for the school and have a shared commitment to achieving the very best outcomes for the students. All staff and governors discharge their statutory responsibilities with regard to all aspects of safeguarding.

Student leadership is a key element of life at the school. Students take on a wide range of leadership roles. This is a school which respects and celebrates diversity.

The school has a well-developed School Improvement Plan setting out our priorities as we journey to be fully outstanding in all areas.

We continually review the environment in which our school community learns and works. The school's plan sets out the programme to ensure the environment continues to be attractive, well maintained and supports the curriculum.
