Dear Parent/Carer,

Re: Black History Month Celebration Event - Wednesday 23rd October 2024

October is a significant month dedicated to celebrating the rich culture, achievements, and contributions of Black individuals throughout history. This year, members of the Sixth Form will lead the school in celebration of the Black History Month showcase. Students have organised a celebration event which will take place on: **Wednesday 23rd October 2024 6pm-7.30pm at St Bernard's High School.**

The event will provide a showcase linked to Black History Month and includes Dancing, Music, Fashion show, Choral and Poetry acts all performed by members of the school community. This is the third time that this event has taken place, and we are proud to support the students who have worked so hard to make their dream a reality. If you would like to see this event, tickets are available to only St Bernard's students and their families from 7th October 2023. Tickets for the event are available via ParentPay and are limited to three tickets per family on a first come, first served basis. The cost of the tickets is £4 each. Safeguarding of students is very important to us, and we are especially mindful of students' safety following such events. Please ensure that arrangements are made for your child to travel home after the event.

Yours sincerely,

BHM TEAM
Black History Month Team
