Dear Parents/Carers,

We would like to introduce our new library platform that we have been busy installing since the start of the year. This will be able to be accessed via the school website soon but for now please find the link below.

[LibPaths™](#)

The new platform contains our full catalogue of fiction and non-fiction books, library news and events as well as useful literacy-related links. It showcases popular authors and new books and features recommended books for next steps whether it be choosing GCSE/A-Level options or making university choices. It can be accessed by staff, students and parents.

At the bottom of the page there is also a link for students to add any book titles that they would like to see in the library (Content and budget-permitting of course)
A link for book reservations, book reviews and reading lists will also be added at some point.

For your information we also have a wish list on the LoveReeading4 kids' website.

Please do not hesitate to contact should you have any further questions.

Yours faithfully,

The Library Team
