

27th February 2026

Dear Parents and Carers,

I would like you to kindly save the date for the Year 11 Celebration Day, which will take place on **Friday 1st May 2026**.

Students are expected to be in school at 8:40 (normal school time), with celebrations beginning at **10:00AM** for a **10:30AM start** with a whole Year Group Mass. I am delighted to invite you to the celebration Mass which will be led by Fr Paul Fox. Please complete the Microsoft form below to ensure we are set up appropriately. This form will close on the **27th of April 2026**, so please do register prior to closing. Please note, entering the school will be via the Milton Road gates, which will open at **10:10AM** and close at **10:25AM**. Mass will be followed by light refreshments and an opportunity to take any photos with your daughter. This part of the event will finish by 12:00 midday and the student [celebration will continue](#).

Following the Mass, there will be a presentation from each tutor, myself, and any other individuals who may wish to share final words with our Year 11 students. After the presentation, we will provide lunch and an opportunity for the pupils to sign shirts, yearbooks, take photographs, and say their goodbyes. Students will leave the school site between 2:15- 2:30pm.

I would like to clarify a few important points regarding the event. As we will be participating in Mass, it is essential that all pupils attend in full, correct uniform. This does include no false nails, no false eyelashes, and minimal/ natural make up. Unfortunately, any student not in correct uniform which follows the school policy will be unable to participate in the event. I would encourage students to bring a decorated shirt to change into after the Mass. It is important that we maintain the respect for the Mass and uphold our high expectations throughout the day.

I am truly excited about celebrating the Year 11 students with this day. While there is still much to be done in terms of exams, I am confident that it will be a memorable and fitting way to say farewell to such a tenacious year group.

Due to budget constraints, unfortunately we will not be holding a leavers ball this year. We do hope as many families can join us in celebrating the time that Year 11 have spent with us. However, we do hope that this farewell will be a temporary one, as we look forward to welcoming them back in September as Year 12 students. Thank you for your continued support, and I look forward to celebrating with you and the students.

Kind regards

Ms Hill

Head of Year 11
