Dear Parent / Carer

**Re: R.E Revision Material – Year 11**

To support your child's progress and confidence in GCSE Religious Studies, the R.E. Department has put together a set of helpful revision booklets for every topic in the syllabus. These resources are designed to make independent revision easier and more effective, and include clear topic overviews in the form of spider diagrams and mind maps, as well as a selection of past exam questions which we complete during revision lessons.

To help cover printing costs, we are kindly asking for a £5 contribution, which can be made via Parent Pay. Once a donation has been received, students can collect their revision booklets from the school shop the week before the February half term. These booklets will be required for use in lessons after the February half term so they must be collected in preparation.

Students who are eligible for free school meals will receive the full set of materials without the need for a donation.

These revision resources have supported many students in previous years and have been praised for helping them feel more prepared and confident ahead of their exams. We are sure your child will find them equally valuable as they work towards their GCSEs.

Yours faithfully,

Mrs T Abel

Head of Religious Studies
