Dear Parent/Carer,

Re: St. Bernard's High School production 2025

We are very excited to announce that St. Bernard's school production for 2025 will be 'We Will Rock You.' Please read this letter carefully if your child is interested in auditioning for an ensemble part in the production.

The production will take place on the evenings of the 26th, 27th and 28th of March 2025 and students involved must be available for whole day rehearsals on Friday the 21st of February and Saturday the 22nd of March. Students should not audition if they are not available on any of these days.

We Will Rock you is a futuristic, highly energetic, and exciting musical that will give many students the opportunity to showcase their acting, dance and musical skills. We are looking for students who are reliable, committed and enthusiastic to audition to be part of this wonderful opportunity. Auditions for ensemble parts will take place on Monday the 30th of September, 3.20-5pm in A21. On the day, students will be taught a song and dance from the show and will then perform it in groups. They do not need to prepare anything beforehand. Students who wish to audition **must** email schoolproduction@stbernards.southend.sch.uk giving their name and form.

We are anticipating large numbers of students wanting to audition, and therefore it is likely that some students will not be successful. We hope that students will see the auditions as a fantastic experience regardless of the outcome and will not be discouraged from auditioning for future Performing Arts events.

Yours Sincerely,

Mrs M Bell
