

## TEACHING INTERNSHIP PROGRAMME 2023

# Undergraduates in Chemistry, Physics, Computer Science, Maths or MFL related degrees

South Essex Training and Support Alliance (SETSA) has secured funding to offer places to 11 interns in 2023

To secure a place prospective Interns apply online and will go through an interview process with the host school. If successful they will be offered a placement subject to a satisfactory DBS check

Interns will undertake a short induction which will include safeguard training, professional expectations, how to observe lessons and what to expect on placement. They will then spend the remainder of the 3 weeks working in their allotted secondary school.

***Considering a career in teaching....? Take this fantastic opportunity to discover what it's really like to be a secondary school teacher!***

Visit [www.setsa.info](http://www.setsa.info) and click the "Teaching Internships" tab
